Transgender Inclusion Statement

Document Number: PCC- 0001 **Date Published(sys):** 2/28/2025

General Description

Scope:

This statement applies to the entire Trinity community.

Policy Content

With the growing visibility of transgender and gender nonconforming members of our community, Trinity University affirms the diversity of gender identities and gender expressions among us. The University hears the challenges that transgender and gender nonconforming persons encounter on campus. Inspired by the voices of these members of our community and their allies, Trinity University also affirms its commitment to the process of making our living-learning community ever more aware, welcoming, and inclusive of the gender diversity of our students, faculty, staff, alumni, and visitors.
