

University Surplus Policy

Document Number: BUSO-0033

Date Published(sys): 7/8/2021

General Description

Policy Summary:

Trinity University is committed to ensure that all of the University's physical assets are used in a most effective manner. The University will dispose of assets by means of an annual sale to the university community or donations to non-profit agencies. For additional information reference the Finance & Administration Policies and Procedures for property management.

Purpose:

- To encourage identification of University assets that are no longer required by the present user or department;
- To ensure applicable taxes are collected at the time of disposal or transfer of title of the asset;
- To obtain maximum benefit from the University assets which are considered to be of no further use to the present user or department, by optional use internally, trade-in on new purchases or sale to outside parties;
- To document the transfer of sale of University assets; and
- To ensure that the University community is made aware of availability of useable equipment or furnishing

Scope:

This policy applies to physical assets of Trinity University
