① Summary

The University has established the following opening and closing times for University buildings as indicated below. The hours during the “open” and “close” times represent hours considered standard business hours when entry doors to the buildings are unlocked, and your issued Tiger Card is not required to enter. During “card access only” hours, all community members will be permitted in

academic buildings after the closing times via their Tiger Card. All members of the University should always carry their University-issued Tiger Card. All other persons must leave the building unless accompanied by a Trinity community member.
